

## **ATTENTION ALL VALUED CUSTOMERS!**

In order to protect our employees and customers, we are practicing social distancing. **Please maintain a minimum of 6 feet of distance from our employees and others you come in contact with.**

Additionally, we are restricting access to the showroom, rental counter, and parts and service department to **1 customer at a time** to meet the Alachua County mandate for social distancing.

If you prefer not to enter the store please call 352-336-9800 and we will come out and serve you curbside when you arrive.

During these unprecedented times we will continue to serve you given these restrictions.

We are here to support you now and in the future. We appreciate your business and wish health and safety to you, your families and your employees.

Thank you.
